Unmatched combination of **performance**, **efficiency** and **affordability**.

That's just what you'll get with the  
**HVAC Direct**

## Energy Efficiency is Key...

### To Controlling the Cost and Comfort of Heating your Home.

HVAC Direct's 13 SEER Packaged Air Conditioners and Heat Pumps provide industry-leading value and technology to homeowners and small businesses while helping keep energy bills to a minimum. Plus, our extensive product offering ensures that you get the right system for your specific cooling and heating need.

HVAC Direct Packaged Units sit on the ground or rooftop outside your home or business and deliver quiet, year-round comfort from a single, self-contained unit. These energy-efficient 13 SEER units operate as an air conditioner during warm weather, and in the winter deliver electric or heat pump-generated warmth. All units come fully charged and tested – direct from the factory.

### Packaged Air Conditioning Units

An energy-efficient HVAC Direct HPC13H 13 SEER Packaged Air Conditioner is your best bet for long-lasting, high-efficiency air conditioning where space is at a premium.

### Packaged Heat Pumps

The high-quality HVAC Direct HPH13H 13 SEER Packaged Heat Pump provides economical air conditioning, then, by reverse cycle, delivers economical heating during colder periods. Supplementary electric heat is added at predetermined temperatures during severe cold spells.

## Quality Manufacturing backed by Warranties and Service

### Reliability and Long Life

One of the most critical components of a packaged air conditioner or heat pump is the compressor. Our 13 SEER Packaged Air Conditioners and Heat Pumps boast high-performance, high-efficiency compressors, which operated in tandem with our high-efficiency coil. The coil is made of refrigeration-grade copper tubing and aluminum fins in a design that maximizes surface area. These high-quality components together cool your home effectively while saving you money on energy bills!

### Solid Warranty Protection

HVAC Direct 13 SEER Packaged Air Conditioners and Heat Pumps have a 10-Year Parts Limited Warranty on the compressor and all other functional parts.

For even greater protection and worry-free ownership, ask your HVAC Direct dealer about HVAC Direct, an affordable Extended Service Plan for your entire system.

### Guaranteed Quality

When you choose the HVAC Direct brand, you can depend on well-designed, high-quality, thoroughly tested products, backed by some of the best standard and extended warranties in the industry. All HVAC Direct production facilities are focused on strict, quality-driven processes. This quality focus ensures a trouble-free installation and long product life.

### Impressive Features and Benefits: HVAC Direct HPC13H/HPH13H-13 SEER Packaged Air Conditioner
