* To receive the 10-year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec. Full warranty details available at www.hvacdirect.us.

Energy Efficiency is Key....

TO CONTROLLING THE COST AND COMFORT OF HEATING YOUR HOME.

HVAC Direct's HPC/HPH14H Packaged Air Conditioners and Heat Pumps provide value and cutting-edge technology to homeowners and small businesses while helping to lower energy bills compared to lower SEER units. Plus, our extensive product offering ensures that you get the right system for your specific cooling and heating needs.

HVAC Direct® brand Packaged Units sit on the ground or rooftop outside your home or business and deliver quiet, year-round comfort from a single, self-contained unit. These energy efficient units operate as an air conditioner during warm weather, and in the winter deliver electric or heat pump-generated warmth. All units come fully charged and tested – direct from the factory.

When properly installed, your new HVAC Direct brand HPC/HPH14H Packaged Air Conditioners and Heat Pumps offer efficiencies that provide significant savings compared to lower SEER units. In fact, these units are so efficient that they meet the higher standard of the Environmental Protection Agency's Energy Star Program!***

PACKAGED AC UNITS

An energy-efficient HVAC Direct brand HPC14H Packaged Air Conditioner is what we believe to be your best bet for long-lasting, high-efficiency air conditioning where space is at a premium.

PACKAGED HEAT PUMPS

The HVAC Direct brand GPH14H Packaged Heat Pump provides economical air conditioning, then, by reverse cycle, delivers economical heating during colder periods. Supplementary electric heat is added at predetermined temperatures during severe cold spells.

Featuring chlorine-free
R-410A refrigerant.

Quality manufacturing backed by exceptional warranties*

RELIABILITY AND LONG LIFE

One of the most critical components of a packaged air conditioner or heat pump is the compressor. Our HPC/HPH14H Packaged Air Conditioners and Heat Pumps boast high performance, high-efficiency compressors, which operate in tandem with our high-efficiency coil. The coil is made of refrigeration-grade copper tubing and aluminum fins in a design that maximizes surface area. These high-quality components together cool your home effectively while saving you money on energy bills as compared to lower SEER units!

SOLID WARRANTY PROTECTION*

HVAC Direct brand HPC/HPH14H Packaged Air Conditioners and Heat Pumps have a 10-Year Parts Limited Warranty* on the compressor and all other functional parts. For even greater peace of mind, ask your dealer or visit our web site at www.hvacdirect.us for more details about HVAC Direct an affordable Parts and Labor Extended Service Plan for your entire HVAC Direct brand HVAC system.

EXCEPTIONAL QUALITY

When you choose the HVAC Direct brand, you can depend on well-designed, high-quality, thoroughly tested products, backed by what we believe to be some of the best standard warranties and extended service plans in the industry. All HVAC Direct production facilities are focused on strict, quality-driven processes. This quality focus ensures a trouble-free installation and long product life.

ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

Impressive Features and Benefits:

HVAC Direct HPC14H/HPH14H AIR CONDITIONING & HEAT PUMP PACKAGED UNITS

- 10-Year Parts Limited Warranty*
- Energy-efficient compressor with internal relief valve
- High Efficient Blower Motor (HEM)
- Quiet horizontal discharge
- Totally enclosed, permanently lubricated condenser fanmotor
